Assignment 4

Send your answers to pitoura@cs.uoi.gr no later than Monday 7/4

1. (all) Prepare a few slides comparing the RPC with the RMI implementation and the Java threads with the POSIX threads implementation (3 slides max for each case).

2. (In groups of 2) Read the short paper: J. Waldo, "Remote Procedure calls and Java Remote Method Invocation". IEEE Concurrency, 6(3), pages 5-7, Sept. 1998 and summarize the differences between RMI and RPC (in no more than half a page).
